

2021 Financial Assistance Application

It is our hope that families and individuals will never be denied the opportunity to participate in camping due to financial hardship. There is a limit, however, to the total scholarship funds available. We understand that asking for a tuition adjustment may be difficult. We have tried to make the process as easy, confidential, and fair as possible.

The financial assistance process is a rolling process and funds will be awarded on a first come first serve basis, until all funds have been distributed. As soon as your completed application is received, it will be presented to the Financial Assistance Committee. If there are missing documents the application will be submitted AFTER all documents are received.

Please note that the maximum scholarship available from Candlewood Fishing and Adventure Camp is 50% of the tuition fee with no exceptions.

Please use the following checklist prior to submitting your application:

- Completed Camp enrollment application for each camper you wish to receive tuition assistance for. This is filled out online through our enrollment system, CampMinder.
- Completed Financial Assistance application – One application per family. Please ensure every section within pages 2-5 is complete and page 6 is signed.
- Copy of Page 1 and 2 of 2019 or 2020 Federal tax return. In the case of shared custody, tax returns from both parties are required.
- W-2 Forms
- Recent pay stub

If any part of the application is not completed in full, you will be contacted and

asked to complete those sections before a decision can be made.

Monthly cable, internet, phone	\$
Monthly heating	\$
Monthly gas	\$
Monthly car payment	\$
Monthly medical bills	\$
Please provide other itemized expenses	\$
TOTAL:	\$

By signing this form, I agree that all information contained herein is current and true. Financial assistance will be denied if information is falsified or incorrect.

Financial assistance is awarded on a first come first basis. I understand that my application will not be considered unless it is submitted with the required documentation.

I understand that the maximum financial assistance is 50% of the total tuition with no exceptions. Candlewood Fishing Camp will advise me how to seek out further funding from outside entities but doing so is no guarantee that aid from these entities will be given.

Once financial assistance is determined, I must either pay in full or through a payment plan created by the Camp. All account balances must be paid by March 15, 2021. When registering after May 3, 2021 tuition is due in full after financial assistance has been awarded. Failure to pay the agreed upon balance in full by the required date could result in my child not attending camp and the financial assistance offered may be given to another family in need of assistance.
